The inspection is a minimum maintenance inspection made for the purpose of determining the premises is in compliance with the City's property maintenance code for rental occupancy. The scope of the inspection is limited to observations readily visible without moving or removing any item causing visual obstruction. Neither this inspection nor the inspection report constitute a guarantee or warranty expressed or implied regarding the present or future condition or use of these premises. **The inspection does not replace the occupant's own obligation to be satisfied with the premises and to undertake private inspection.** The City shall not be held liable for any deficiencies on the premises

In accordance with Illinois Law, the inspection report will become public record and will be provided to the public upon request for a fee.
